<p>Other considerations: Consider using 1 size larger tent if max numbers are used & food or dance floor area is required. Add 100-200 Sq ft For Food Service Add 100 Sq ft for DJ or Band Add 250 Sq ft for Dance Floor</p>									
<p>Example: If I wanted to seat 144 guests at round tables with 8 people per table I would choose a 30 x 60 tent. However, if I needed additional space for dance floor, DJ, etc. I would use a 30x75 tent.</p> <p>Note: These are general recommendations, Please speak with someone from our staff so the perfect size can be fine-tuned for you!</p>
